The hot way to smooth sex play

Long before everyone started “trimming the bushes,” as they say, I met this chick. One night we’re lying around, and she told me she wanted to shave her pussy herself because she didn’t think she could do a good job. She only had a cheap electric razor. At the time I thought it was weird, but I thought, Okay, I’m game for whatever she wants.

So I had her undress. I had to go back and forth with the hot lather. And when I pressed the hot towels and then dabbed her crotch with the lather, she began to shiver and raise her ass up. I was squatting down between her outstretched legs, shaving her cunt. I could smell her. It was very distracting. And it was a little hard, because she had a lot of folds around there, and I was extra careful because I never did that before.

But it worked out. I flashed a mirror so she could see how it looked, and she liked it. It was as bald as a baby’s head, clean-shaven and perfect. She was ecstatic.

These days, most people have no problem shaving their privates. Clean-shaven cocks and cunts are becoming more and more popular all the time. Nothing is wrong with the practice, no more so than with any type of shaving. Some people feel sensitivity and skin irritation. The stubble can be irritating if it’s not shaved regularly.

So why is everyone doing it? There are two reasons, and Patti offers them both. “I have a real thick bush—or rather, I had one. I think that for some women who don’t like the look of their pussy, a large part of the problem is this heavy mat of hair all over it. A thatch of hair really is not all that attractive, especially if it kind of wanders all down the crotch and over the pussylips. My boyfriend likes to go down on me, but all the hair would get in his way. It would get on his tongue, in his teeth. I trimmed my mound a bit, but it didn’t do that much good.”

“Finally I decided to go all the way

Close Shaves

and shave it all off. It’s easy to do, really. Just make sure you use a sharp razor. I used my boyfriend’s razor, because the one I used on my legs had a plastic hood over it so it was hard to see precisely where I was shaving. And the inner lips are no place for nicks or cuts.

“I went into the shower and had a nice, hot soapy wash, letting the hot water hit me right between the legs as I bent back. I soaped and re-soaped my cunt until the hairs were very soft. Then I got out, positioned the mirror on the toilet seat, got the steam out of the bathroom, and began. I had cut my mound down with a pair of scissors so there would be less pull on the blade.

I stopped the hair off my mound, and then bent close to get into the cunt lips. It took a few minutes because I had to be extra careful. But I did a pretty fair job. I lie on the bathroom floor and spread my legs in front of the mirror, so I could get another angle and catch any stray hairs. I shave every three or four days; at least twice a week so my mound looks clean and bald instead of dotted with black stubs.”

The rewards for pubic shaving, you might ask? “My boyfriend went crazy when he saw what I’d done. I unveiled myself for him that night. The lights were dim as I sexily stripped down. I whisked my panties down, and his mouth gaped open. He got so excited, so horny. He turned the lights on full blast and he got me on the bed and it was incredible. He put his fingers in and out of

my cunt, he licked it, and he played with it. He was fascinated by it. I was smiling; I was horny too, the way he was so attentive. My cunt was like a fresh jewel to be fondled and licked and played with. It was luxury to have him do it to me.”

“My cunt felt so tingly, his tongue on my skin, and my mound was so sensitive now! I loved the feeling of his hot tongue on my skin, and now that I could really feel it, I began to respond. I could feel myself get hotter, and I just knew my cunt was

seeping out fluid, and then drooling its juices slick and hot. He must've been down between my legs for 15, 20 minutes. Pulling my lips apart, tonguing and licking me, then rubbing and fondling my pussy."

Patti shivered out an orgasm and was ready for more. "Fucking was even wilder, because I could feel his pubic hair rub against my mound. It really accentuated the fuck for me. Not only was I getting his cock in me, I could feel his balls slap against me, and his pubic hair push against me

too. Another thing is that it's much easier to perform functions of feminine hygiene with a shaved cunt. I mean, you don't have to pick things out of your hairs, you know. You just wash it off, sponge it down. It's really so much more convenient. I'd never go back to having a hairy cunt. I love the way I look now."

Another fan of pussy shaving, Marissa G., believes that a shaved cunt is actually more womanly and more beautiful. "Having my pussy cleanly shaved accentuates it. I feel more like a woman. Instead of having some sort of grotto hidden by hair, I have a proud vagina cleanly etched and defined, clearly there to be sucked, licked, kissed and fucked."

For Marissa, a shaved pussy is the height of mature femininity. For some women, including men, the sight of a clean-shaven cunt produces an opposite effect. It has the connotation of innocence.

"We used to get all kinds of requests for teenagers in hardcore scenes," one X-rated film director says. "That's a federal offense. You use an underage kid and you go to jail. Besides, at that age you can't expect them to really know what they're doing. I've made a lot of films and never used a girl who was under 21. It was easy. I picked out chicks that were small busted, and I told them to get a shave."

Many guys love a freshly shaved pussy, because it reminds them of an innocent chick with a fresh, clean cunt. Most of the girls say it's a turn-on for their men.

Raw pubes and the innocent look, easily acquired with a few razor strokes, can really rejuvenate a tired sex life. Many of the people who reported that they've shaved their privates say they do it for a change of pace. It can be difficult for some people to remain monogamous, to remain sexually stimulated by their partner. Some people choose new sex positions, experiments in kinky sex, or perhaps dressing up in pro-

vocative outfits. But on the more basic level of actually changing the structure of the body, most women have stimulated their guys by changing their hair color, applying a different makeup—or by pubic shaving.

"My sex life has been twice as good since I started shaving," Marissa affirms. "My men are more interested in oral sex, and I think they are more interested in me. As I've said, shaving makes woman's sexuality stand out. Some men think of a woman as just a hole. They don't see the lips that need to be stimulated, the clit that wants to be sucked. They do if the cunt is shaved."

Shaving is not done exclusively by women. Many men are doing it as well, usually for the same reasons.

Jerry D. is clean shaven all over, as is his wife. "I did my chest first, actually. That's not so unusual. Most rock stars have done it. It makes you look younger, smoother. Unless you have a hairy chest, shaving might be worth trying. Most guys just look messy with straggly chest hairs; unclear. With a shaved chest you look younger and stronger."

"My wife shaved her pussy just to try it out. To see what it would look like. It really looked good, and it was really good to eat her out that way. She suggested that I do it so we'd be equal. She said that sometimes when she's blowing me she'd get turned off by the coarse hairs on her lips and sometimes a stray hair in her mouth. She likes cum, and if I cum and it gets all over my pubic hair, it's hard to lick up. And I guess a little hard to wash off afterward."

Jerry was leery of shaving, not because it would be hard to do, but because he felt it would make him look a little too young. So why do it? But "the more I thought about it, the more I wondered just what it would be like.

My wife volunteered to do it, so I said what the hell. She sucked me off, and kept my cock hard by rubbing it. Then she shaved off the hair

I cover it with whipped cream, and eat her like dessert, and by the time I'm finished her juices are flowing and we really start fucking.

with an electric razor. It was easy. She wanted to do the balls, but there weren't that many hairs and I didn't want her to get carried away.

"I looked in the mirror, and I was surprised. My cock seemed to stick out bigger, and firmer. Without the hair, it really looked more like a weapon. The hair, bushy and black, kind of stood out too much. Now my cock was stark, sticking out there right from my crotch. It looked kind of strange, but my wife really dug it. I had to get used to it, to feeling my cock up against my shaved skin for the first few days. And stubble really irritates the cock so you have to shave at least once a week. But it's all right."

"I think everybody should try it at least once in their life," Patti remarks. "Besides, it'll grow back if you don't like it. It's a change of pace. It's something different. It's worth a try."

For some people, the choice is already made for them. A husband who wants "clean oral sex" may virtually urge his woman to shave her cunt. And for some dominating women, a shaved husband is a sign of little more than docility, the Samson myth revisited.

Many of these shaved dudes believe that a clean-shaven body is more attractive. They would also say that sex between shaved partners is much sexier. According to Jerry, "since my wife and I shaved, it's a whole new ball game."

"It's really wild to feel your bodies meet, skin on skin. You have to be a little careful to not thrust too vigorously in the missionary position—otherwise you slap bone on bone practically. But otherwise, the graze of the bodies at such a sensitive juncture it's hard to describe. And for some of the other things we do, shaved skin is perfect."

Jerry and his wife like to spice up their lovemaking with oral sessions that include "whipped cream, heavy chocolate syrup—stuff like that. Can

you really imagine that being done with a full wooly mound of hair? What a gross out."

"I'll dribble honey on Janet's cunt

we really start fucking. If she had a hairy cunt, I'd get hairs in my mouth, and the thing would look pretty disgusting. And after it would be all

and lick it up, and she might start things off by licking some syrup from the sides of my cock. We get pretty carried away sometimes, and dump on cherries, and bits of mixed fruit. It's great when I do it to Janet. I have her spread her legs and arch up. I cover it with whipped cream, and eat her like dessert, and by the time I'm finished her juices are flowing and

sticky and she'd have trouble combing it all out of her hair."

"As I see it," Jerry remarks, "pubic hair was important hundreds of years ago. If you're a primitive ape man living in a jungle somewhere, you need the hair to protect your more sensitive parts. And maybe it acts as a natural shield to keep out bugs or something...

I woke up this morning not feeling great, so I called a good friend to come over and help take care of me. He shows up and only then tells me that he doesn't know how to cook – anything. We argued for awhile and it started to make me feel a little horny, so I settled for a healthy helping of semen soup.

finally letters:

More letters have come into the office that we had to share just a couple more with you here today

Alfredo sat there behind the wheel and stroked his cock, sliding his hand up and down at a sensible clip. I leaned over the stick shift and devoured the thing. He grunted appreciatively and placed his hands atop my head, pressing my face down until I had consumed every last inch of his turgid pole.

Being our first date and all, I still wasn't sure if I was going to let him fuck me. Not that it really mattered. I was quite content sucking his dick. I bobbed my head with a frenetic motion perfected from years of experience.

I had met Alfredo at the community college where I was studying to be a hair stylist. He worked in the cafeteria as a dishwasher. Our initial encounter was totally random. Alfredo was smoking a cigarette on the loading dock. Craving a coffin nail something fierce (I had smoked my last one early that morning before my eight o'clock class),

I had asked him if I could bum one. Of course he proffered his pack. As luck would have it he even smoked my preferred brand of menthols. I could have walked away and smoked by myself, but I chose to engage in idle chitchat, a wise decision as Alfredo had asked me for my phone number.

Now, saliva dribbling down my chin, I came up for a breather.

"Don't stop, baby," Alfredo said urgently. "Keep going."
"You like that, huh?" I asked him.

For obvious reasons we had failed to see the prowler car as it had arrived on the scene. I wasn't really worried, though.

cruiser parked behind us. For obvious reasons we had failed to see the prowler car as it had arrived on the scene. I wasn't really worried, though. After all, we weren't doing anything illegal.

"What do they want?" I asked Alfredo.

He replied by zipping his pants, shoving the key in the ignition, and firing up the engine. Then he took off with a screech of burning rubber. The white cruiser followed our every move, maintaining close contact as Alfredo weaved dangerously in and out of traffic, doing his damndest to shake our pursuer.

"Are you wanted or something?" I finally asked him when I had calmed down enough to speak.

"It's a long story," he told me.

This was the last thing he said before ditching the car behind a liquor store and fleeing on foot. Mouth agape, I watched him disappear into a wooded area. Additional patrol cars arrived almost immediately. I was ordered to exit the vehicle with my hands up. Of course I cooperated; last thing I wanted was to get shot by an overzealous cop.

They asked me all kinds of questions about the driver. I told them that his name was Lance, told them that we had met online, and this was our first date. They seemed to believe my story. Then they informed me that the car was stolen.

I love it," he replied.

I was seconds away from servicing his balls when our world exploded with whirling blue lights. Alfredo turned his head, regarding the police

BLAIR-NTS-00

“Stolen?” I asked.

“That’s right,” the tallest of the officers said. “You just had a date with a car thief.”

I’d never been so turned on in my life.

After the police released me I walked to a nearby coffee shop, ordered a large medium roast, and took a window seat. Evening traffic zipped up and down the boulevard. I texted Alfredo but he didn’t respond. Too frightened, I reasoned, figuring he thought I was in cahoots with the police and trying to lure him into a trap. I couldn’t really blame him. Still, I refused to give up.

I went to the restroom. Safely sequestered inside a stall, I took a pic of my pussy and sent it to him. That did the trick. My phone rang. Alfredo was out of breath; he had just arrived at his apartment.

“I covered for you,” I told him. “Everything’s going to be okay.”

“You promise?”

“I promise. Now give me your address. I need to see you.”

He was reluctant, even down-

for me. You really stuck your neck out, Alfredo.”

I was getting wetter and wetter just thinking about what he had done. We had been rudely interrupted by the police. Now it was time to pick up where we had left off.

Having recovered from his mad dash, Alfredo sat on a threadbare sofa. I knelt before him and unbuckled his belt. Then I treated him to a superlative handjob, priming him with deft strokes, up and down, tugging his tube steak until he was on the brink of exploding. I stood and undressed slowly.

Eager to ride Alfredo’s mammoth rod, I straddled him and lowered my shapely hips. He slid up into my moist crevice, filling me with his rigid member. I started with a slow grinding motion, moving my pelvis with a languid circularity, a mere pre-amble for the forthcoming fireworks.

Things escalated soon enough. I couldn’t help myself, couldn’t control the burning desire to ride him harder and faster. Alfredo buried his face between my D-cup tits, nibbling one nipple, then the other. Cupping my ass with both hands, he thrust into my hot core, jabbing me repeatedly.

Safely sequestered inside a stall, I took a pic of my pussy and sent it to him. That did it.

right paranoid; until I sent him another naughty pic. His apartment was a mile away. Energized by the coffee, I walked at a brisk pace.

“You’re not mad?” Alfredo asked me.

“Not the least bit. Hell, I’m flattered.”

And I was. Alfredo had risked a lengthy jail sentence in order to impress me. The poor guy didn’t own a car. Ashamed of this, yet determined to take me on a proper date, he had stolen tonight’s ride from a supermarket parking lot.

“No guy,” I told him, “has ever gone to such great lengths

The incessant pounding pushed me over the cliff. Throwing my head back and moaning with delight, I experienced one of the most intense orgasms of my life. Alfredo slid out from under me. I lay there on the sofa as he leaned over and jerked himself to completion all over my tits.

Neither of us said a word for quite some time. Alfredo broke the silence when he said, “That car was plenty hot, but nowhere near as hot as you.”

I couldn’t have agreed more.

BLAIR-NTS-10

we party hard

One day at college, however, Layla and I were invited to a party over at a guy's house on the next street over. Layla and I got dressed up and headed over. Layla was perfectly gorgeous! She had beautiful wavy hair and her makeup was perfect as well.

We knocked on the door, and it immediately opened. As we walked in eyes turned. Immediately Jaime, a football player, rushed up to me and offered me a drink. Layla winked at me and I accepted. As I walked away with Jaime, Layla became swarmed with men.

I took a sip of the beer he had given me and smiled as he looked in my eyes. He leaned over and softly kissed me. After a long while, he looked at me and smiled as he pulled me off the couch and lead me up the stairs. I held onto his strong arm as he opened a door and we slipped inside. Jaime, pulling off my shirt dur-

I grabbed Jaime's dick and placed it at the entrance of my hole. Jaime thrust his cock deep into my pussy...

and pulled it off to reveal my black lace thong.

As I kicked my skirt off, the door slammed open. Layla stumbled into the room hardly noticing us through her kisses with the other football player. When she noticed, she stared at me wide-eyed in amazement. She stared at my fairly large boobs then down at my thong. She giggled as she climbed up next to me and lay down.

Jaime grabbed my legs and pulled me to his face. I giggled and moaned as his tongue touched my wet pussy. His warm tongue felt amazing against my clit! I grabbed his head as I moaned, feeling his tongue slip inside of me. I felt myself on the edge of orgasm but pulled his face away and giggled as I said "get up here baby."

Jaime climbed up to me and kissed my lips. I smiled as I tasted the sweet juices from my pussy. I grabbed Jaime's dick and placed it at the entrance to my hole. Jaime thrust his cock deep into my wet pussy. I arched my back and moaned loudly. Layla looked over at me and giggled as her boy toy undressed her. Jaime grabbed my heels and lifted them onto his strong shoulders as I clung

ing the process, pushed me onto the bed. I looked up at him and bit my lip as he came down and kissed me. He was quite muscular. He slid his hands across my tummy and around to my back to unstrap my bra. I sat up and unbuckled his belt and undid his pants. His hard cock came out and nearly slapped my face. He wasn't huge, but he was big enough.

I slid his cock into my mouth. He grabbed the top of my head and thrust his dick into my face. I pulled his cock out of my mouth panting for air as I told him to slow down. He smiled as leaned over and kissed me. He ran his hand up my thigh into my skirt as I stroked his dick. I unzipped my skirt

onto the bed spread. He pounded his hard cock into me.

By this time Layla was only in her thong. I looked at her gorgeous eyes but the next thing I remember was the two of us in a lip lock. Moaning into each other's mouths we were unfathomably consumed in pleasure.
